

Be a Caregiver Awards Sponsor

What are the Caregiver Awards?

Frontline caregivers play a critical and indispensable role in creating a quality long-term care community in Wisconsin. The WI Long-Term Care Workforce Alliance Caregiver Awards are the only statewide venue recognizing the outstanding individuals and teams working tirelessly in all service locations. Co-workers, employers, and individuals receiving care and community members nominate award winners. Each winner receives a framed certificate, monetary award, and recognition at a luncheon ceremony.

There are three award categories:

- **Spotlight:** Given to four (4) individual caregivers whose work skills and performance shines brightly every day.
- **Caring Together:** Recognizing a team of caregivers who show strength and flexibility in person-centered supports.
- **The Heart of Family/Friend Caregiving:** Recognizes family and friends who have adapted their life to provide unpaid and/or paid supports.

Interested in supporting these unique awards? It's easy. Choose a donation level, complete the sponsor information, and mail with your check. Sponsors are recognized in award announcements and other promotional media, so please print your agency and contact name clearly.
